CHRISTMAS GIFTS

- This term at Nursery, as parents, you have already made fantastic donations to great causes through Children in Need and the Samaritans Shoe Box Appeal. All staff would like to say a huge thank you for all of your support; this will make a big difference to children all around the world. From past experience we know some of you may be thinking about your child bringing in a gift for their teacher. We would like to let you know you have given us the best gift possible already by allowing us to share your child's amazing early years experiences. Staff are always very grateful about the generosity shown at this time of year **but there is no need**, bringing your child to nursery each day to make memories with us is enough of a gift to us all!

We will be having a raffle for a lovely Xmas Chocolate Box!!

Can we ask all children to bring into nursery a bar of chocolate for this hamper by Monday 5th December?

GOING HOME FOR CHRISTMAS

- If you would like to take any of our lovely animals home for Christmas we would be very grateful. The children have the enjoyment of them all year but we do sometimes struggle to find a home for Christmas. Please see your child's key person if you can help us!
