

# TWO year olds in Boldon Nursery School

Two year olds are so so welcome here at Boldon. They settle quickly and confidently, engaging in the outdoor environment with awe and wonder and work together with our three year olds. The terrain supports their gross motor skills, they absolutely enjoy being amongst the water, sand, trees and in the outdoor cabin with their key person. They are chatting and negotiating constantly whilst outdoors. Inside they have a home like environment in which they feel warm and secure. They know where the bathroom is and the kitchen to bake when they want to. Some 2 yr olds are eligible for funding for 15 hours, if you are not eligible you can still attend, please check our fees.
