Winter Newsletter - February 2022: Edition 2

A huge Boldon welcome...

We would like to welcome our new Head Teacher, Lisa, to Boldon Nursery School - Outdoor Nursery. You will have seen Lisa welcoming both you and your child(ren) when coming into the nursery garden.

Just what have we been up to?

The children are currently observing how the elements have affected our nursery garden; we have had an abundance of rain, puddles and mud! Winter has altered the landscape and it has become more transparent. Watch out for our learning story about mud and our project work on **Decay and Growth!**

We are also working hard to improve the indoor and outdoor provision, and the children have been keen to help us to transform their learning environment.

This term we would like to say welcome to our new friends who started in January. The older children are working really hard to help them to settle into their new nursery environment.

Transporting the mud.

Raking the ground after the rain and storms.

Helping to relocate the mud kitchen

What's going on day to day?

Keep a look out for our easel; this is where we share with parents, all of the fun things that we have been up to!

WATCH THIS SPACE
for regular nursery updates!

A home for the weekend! Can you offer our guinea pigs Betty and Daisy a holiday home for half term or the weekend? They do get lonely during weekends and holidays! They come with travel cage and all you will need and just ask for cuddles in return - see your child's Key person to sign up!

ADD us on Facebook
for more updates too

Our minibus adventures will resume after half term!

Please check the day for your child's visits as some have changed.

Monday - Vic 30hr group

Tuesday - Kerry 30hr group

Wednesday - Mon-Wed & Wed-Fri groups

Thursday - AM & PM groups

ClassDojo

We are very excited to be introducing a new communication system, 'ClassDojo', which we believe will enable staff and parents to share snapshots of the children's interests and learning.

We can't wait to share photographs of our daily adventures and explorations with you... please find your invitation to join us on 'ClassDojo' attached.

Full tummies = happy children

A reminder that we request a weekly donation of £1 to help towards the cost of your child's snack. This helps us to provide porridge on the fire on cold mornings as well as toast and hot chocolate too. In addition to this, we also offer a wide variety of fruit!

LUNCHES

Just a reminder that all dinner money must be paid by 9:30AM on a Monday morning or Friday afternoon for W-F children for the following week.

Half term holiday and inset day

Please note that we break up on Friday 18th February and return on Tuesday 1st March.

Monday 28th Feb is an inset day - Nursery will be closed to all children.

As part of our redevelopment of the outdoor and indoor spaces, we are looking for donations of resources such as:

- New pipework
- Cable reels
- Pallets or tractor tyres

If you have any of these, they will be gratefully accepted 😊
